

COMPETITION PROTOCOLS

Practice Proper Hygiene at Competitions

Wash hands before and after the competition, do not touch your face, avoid touching frequently touched surfaces when at practice. Practice physical distancing of 6 feet/2m when you are able.

Enhanced Cleaning Practices for Competitions

- Sanitization stations at each venue.
 - including hand sanitizer and disinfecting wipes.
- Sanitize equipment after each use.

Screening and Attendance

- Affiliates will be required to screen athletes/coaches prior to traveling to any competition.
- Individuals showing symptoms prior to the competition will not be permitted to compete.
- Individuals developing symptoms at the competition will be distanced from the group and not be permitted to compete.
- It is recommended that the athlete/coach who develops symptoms at the competition has an alternate means of transportation to get home, if not, have participant distance from team wherever possible.

Note: It is recommended that all teams have isolation kits readily available. Kits to include masks and hand sanitizer.

Masking

- Masking must be worn on transportation to and from competitions.
- It will be an individual's choice to wear a mask when at the competition venue or participating in the competition.

Competition Notes

- Recommended that teams do not switch sides when competing.
- No handshakes at the end of each game.
- Athletes/Coaches hand sanitize after each game.

*Please note, as of March 2022, all National Games and World Games athletes will be required to be double vaccinated.

**Covid protocols and requirements may vary in each municipality or venue. Host and Participants must adhere to the requirements laid out by the venue if requirements are more firm than current SOA protocols..
